 **#VETsCLIL**

The introduction of the **Content and Language Integrated Learning (CLIL)** methodology in **Vocational Education and Training (VET)** can have numerous benefits. From student engagement to an enhanced capacity to work in multilingual contexts, the impact of implementing such an approach in fostering **foreign language acquisition in VET** can be ground-breaking in the field of language learning.

The "Boost your CLIL in VET" European conference will bring together **experts in the field and key stakeholders (teachers, public officers, school headmasters)**, marking a turning point for CLIL and its application to different education areas.

**Join a full programme
from theory to practice:**
