1

DESCRIBE THE PORTRAIT. LOOK AT THE EXAMPLE:

*To draw my geometrical portrait I have used **parallelograms** and **circles** for the eyes, a **trapezoid** for the nose and **triangles** and a **semicircle** to represent the lips. I have used different geometrical shapes all over the face. Finally, I have used **lines** to represent the hair.*

2

YOU CAN DEDICATE THIS PORTRAIT TO SOMEONE YOU LOVE AND YOU CANNOT SEE THESE DAYS. FOR EXAMPLE:

*This portrait is for **my grandma/ grandpa/ aunt/uncle / cousin...** because **I love you / I miss you / ...** and I want to let you know!*
