## CREATE YOUR OWN CITY

### ORAL PRESENTATION

- What's your city name?
- What are your names? Group name?
- Explain your city:
  - Location, climate, languages, economy, restaurants, culture, attractions, government, laws, nature and transportation.
- Which problems have you got? Did you solve them?
- Personal opinion about your project and justification.

## ORAL PRESENTATION SCAFFOLDING

Good morning/afternoon, we are going to talk about our city:

-Our city name is \_\_\_\_\_

-We are \_\_\_\_\_

-The location is (which place?) and the climate is (which weather?)

-The city year is (which year?), the main language is (which language?) and the economy is based on ( food, factories,...) .

- There are some attractions/means of transport/laws like for example...

- We've got some problems with (our group, choosing the name of the city,..) and we solved them (starting again, choosing other names,..)

Finally, we are going to speak about our opinion about this project:

-In my opinion/I think this project is (interesting, useful, funny, boring, difficult, easy, ...) because ( it's a different way to learn English/ it's difficult to agree with the rest of the group/ we have learnt new vocabulary/ I don't like the project/ I like the project).

That's all we have to say/ That's the end of our presentation. Thanks to hear us.
