

 Hospital del Mar
Institut FP Sanitària
Barcelona

01 THE CONTEXT

Hospital del Mar Barcelona

Medical centers

- Hospital del Mar
- Hospital de l'Esperança
- Centre Fòrum
- Centre Emili Mira i López
- CUAP Ciutat Vella
- 2 ASSIR
- 4 CAS
- 4 CSMIJ
- 4 CSMA

Educational centers

- Degree in Medicine
- Degree in Biology
- Degree in Physiotherapy
- Nursing School
- **Institut Hospital del Mar**
- Residence in Medicine, Nursing, Physics and Pharmacy

Research centers

- Hospital del Mar Medical Research Institute (IMIM)
 - *5 research lines*
 - Cancer
 - Biomedical informatics
 - Epidemiology and Public Health
 - Neurosciences
 - Inflammatory and cardiovascular conditions
- IS Global

Opportunities

Direct contact with the health sector
Constant update
Flexibility
Highly specialized human resources
State-of-the art facilities and resources
Access to innovation
Sense of belonging
Solid alliances

**High quality education
and high insertion in the
labor market**

02

THE CENTER
